Our Indoor range has 15 twenty yard lanes as well as 4 additional ten yard lanes. We also have 6 rolling backstops for other yardages. Leagues have control of the range during set league times. If some of the lanes are not being used Open Shooting in those lanes can occur if it doesn't interfere with League Shooting. Open shooting can occur at times when it does not interfere with leagues, tournaments, meetings and other club functions. A log book is kept at the indoor range just inside the door. Please sign in and out of the log book when entering or leaving the range as well as marking down reason there; for example meeting or open shooting or league. Open shooting will also use the log book to document fees paid. Shooting fees are listed next to the log book next to the entrance. Please pay shooting fees after you shoot. A member in good standing can use open shooting at any time it doesn't interfere with club activities. Open Shooting Fees: Members: \$2 for first hour, \$1/hr additional. Please maintain a clean and safe shooting environment. If you bring "it" into the range, take it with you when leaving. Don't leave garbage in range area. Pickup garbage and wipe up spills. Place used targets in bin to be reused. If target is beyond use, place it in trashcan in club room. All club members that are eligible can have a key for the entrance on 10th Street as well as the combination for the door to enter the clubroom.

The 4H uses the Indoor facility for their archery program this provides the club with some needed income during a time that the indoor range would see very little use by the club during April, May and June. This also promotes the sport of archery. The dates and times that the indoor range is scheduled for 4H archery will be posted in the indoor range during that time of year and can also be found on the clubs website www.thescwa.com
