

SCWA 2019 Youth Archery League

About

The SCWA youth program caters to youth age 6-18. Young archers that participate in the youth program range in ability from experienced tournament shooters to never have shot a bow and arrow. Youth shoot the yardage that is approximate for their aptitude and not based on their age. Full round takes about 1 hour and 15 minutes to shoot.

Equipment

Youth are welcome to use their own equipment if it meets our standard of safety and shoot ability. Instructors reserve the right to judge if equipment can or cannot be used for the Youth League. The club has a limited range of equipment (novice level) for anyone participating in the Youth League.

Dates

Youth participants will shoot on the following weekends. Line times are listed on the registration sheet.

December 8-9, 15-16, January 5-6, 12-13, 19-20(tentative), 26-27(tentative), February 2-3, 9-10, 16-17.

Communication about cancellations will be sent via email as soon as possible.

Scoring and making up scores

Youth archers will shoot a total of 70 arrows, 10 practice shots and 60 shots for score. The first two weekends will be geared toward instruction and getting sighted in, but the score can be used. Each youth will need 6 scores in the 8 weeks to qualify for year-end awards. The league will use a handicap system league and all standings are figured at the end of the league. Beginning **Thursday Jan. 10**, we will have open shoot night, two lines at 6:00 and 7:30 for youth needing to make up scores. I will also have make-up dates and times posted at the indoor. If your family is a member of SCWA, with parental supervision, youth participants can make up scores at their convenience as long as it doesn't interfere with other club functions. The Youth League awards will be given out at the **SCWA Youth Program Banquet** held at the indoor. Date has not yet been set.

Tournaments

The annual **SCWA Youth Tournament** will be held on **Sunday, Feb. 24, 2019**(must pre-register). Information will be emailed, posted at the indoor range and posted on the website at a later date. The SCWA 2019 Indoor Tournament dates are to be determined yet, but youth and their parents are encouraged to participate in any archery shoots held at our range. Other area archery club tournaments will also be posted at the indoor range.

What can parents do?

- Please have kids to the indoor range **15min** prior to their line time.
- Scorers are needed weekly to assist.
- Help remind the kids, to stay safe, but keep archery fun.
- Feel free to ask instructors questions or make suggestions.
- Keep an eye out for dangerous conditions and stepping in when needed.
- Keep conversations down and remember this is a family environment. Adult conversations can be made in front room.
- Thank sponsors listed on the shirts and let them know that their sponsorship is valued.
- If costs continue to rise and sponsorship is harder to find, fundraising ideas, performed by the participants and their families to help offset the costs, are welcome.
- Donations of time and food are needed for the concession stand for the **SCWA Youth tournament**.
- If your child, has their own equipment, have it in safe working order and sized for your child. Please remember, we do not fix archery equipment but can recommend places that can help you.

Feel free to contact me with any questions or concerns. You can either send me an email at millerwildlifeart@gmail.com or call me at 608-293-1229.

Thank you to all the parents and volunteers for all the hard work and sponsors for your generosity provided in the past and the future.

Ritch Miller

Please return the Registration Form, Waiver and Payment by Nov. 16, 2018.
